

To Bojan Arh,
Thank-you for completing our Acoustic Guitar Building 2-week course
in Umbria, Italy 2010.

During the time you spent with us you hand crafted a beautiful Acoustic Guitar,
made solely from Australian Tonewoods. In the course you learnt
the finer details of custom building, minor repair and wood selection.

Your handcrafting skills and attention to detail are shown in your ongoing
works in Acoustic Guitar Building.

We look forward to seeing more of your guitars.

Best Regards,
Chris Wynne- Thomas Lloyd Guitars, Australia

A handwritten signature in blue ink that reads 'Chris Wynne'.
